Subject: Alianza de Energía Renovable and UTIER Request to FEMA to Reconsider Finding of No Significant Impact- Programmatic Environmental Assessment for Puerto Rico

Hi Lisa and Carmen,

Thank you for meeting with us yesterday, we really appreciated the opportunity to sit down and talk about these pressing issues. Attached is the Request to Reconsider the Finding of No Significant Impact ("FONSI") regarding FEMA's Programmatic Environmental Assessment: Utility Repair, Replacement, and Realignment, Commonwealth of Puerto Rico, DR-4339-PR, along with the attachments we submitted as well.

Feel free to reach out with any questions.

Regards,

Lorena

P.D. I am working on locating the studies you requested regarding (1) Rancho Guayama, (2) Río Guamaní, (3) Barriada Morales; and (4) Gabriela, I will be sharing them soon.
